## MONESTAR DOC 400 DIALYSIS & CHEMOTHERAPY CHAIR
DA06-L

Medispecs Monestar 400 Dialysis chair combines functionality with comfort for both the patient and caregiver. This chair Is user friendly and exceptional in its engineering capabilities and functionality. The illuminated hand control, arm rests and four electric motors allow for quick positioning to serve all needs and purposes.

Key Features

- Electrically operated height, tilt, back rest, knee-break and foot section adjustment with electrically operated Trendelenburg and reverse Trendelenburg.

- Electronic Auto CPR/Emergency function.

- Antimicrobial viscoelastic foam is used for the padding. This seamless padding moulds itself to the body providing additional comfort and support for long periods. Seamless padding reduces the risk of cross contamination by eliminating sewing and creating a smooth clear surface area which is easy to clean and disinfect.

- 4 hook Intravenous pole

- Illuminated hand remote control.

- The detachable foot rest and head rest is fully adjustable to accommodate the height of the patient.

- Safe working load of 230kg.

- Variable height of 55cm to 75cm.

- Anti Static directional castors with independent braking system.

- This multi purpose chair can be used in numerous disciplines and procedures such as Dialysis, Chemotherapy, radial catheterization and phlebotomy
